Circular

All I B.Sc., II Semester students are thus informed that remedial sessions will be offered to those who did not receive the highest grades in the first semester exam and who are having difficulty with the relevant topic. Therefore, it is imperative that students show up for remedial classes at the designated time slot on the schedule. The schedule for remedial classes for the entire semester is provided below.

Class	Day	Timings
I B.SC., II Semester	Saturday	9 am to 10 am

Report on measures taken to improve slow learners

1) Identifying Slow learners:

The slow learners were identified based on the I semester examination results. A special focus was given on such students by the subject teachers.

2) Counseling the students:

Students counseling was carried out by the mentors on academic matters, personal problems, placement and career planning. The counseling was done based on need and request of the students.

3) Mentoring the students:

Along with counseling by the teacher, the performance of the students was analyzed and guidance was given to improve further.

4) Remedial class for Slow learners:

Slow learners were identified by the respective subject teachers based on the students' scores in I Semester, class internal assessment performance and class interactions. The remedial class was conducted in order to help them to score better marks in their next examination.

5) Personal guidance on preparation for examination:

Slow learners were supported by subject teachers in the form providing study materials, important question bank and review of previous year question papers. Personal guidance was provided to them during the time of semester examination.

Report on Remedial classes

Remedial classes were set up by me, Dr. Nirupama M., based on the results of the first semester in order to identify students who had failed and were falling behind in their study. In order to improve their performance in the upcoming semesters, I am enrolling in three days of classes every week during their free time. Throughout it, I pose significant questions to the students, go through past years' exam questions, facilitate discussions about challenging subjects, and provide written assessments to reinforce their learning.
