“Report on Activity- Demonstration Drill”

Date:15/04/2024

Experts from the Department of Fire and Emergency Services were invited to give a demonstration. They came equipped with the fire engine and professional fire safety equipment to sensitize the staff and the students about the life saving and rescue techniques in case of fire. They appreciated the level of preparedness by the College – the floor wise detailed evacuation plan that indicates the path to be followed during evacuation displayed at all prominent points on each floor, the fire extinguishers at strategic points and conduction of mock drills regularly. They were highly impressed with the staff members and students knowledge in the ability to use the fire extinguishers.

The objective of the exercise was to create awareness among the students regarding firefighting techniques and the ways to respond swiftly in times of any emergency situation. In this program was organized by NSS Programme Officers Narasimhamurthy P and Bhaskar J.

Dr. M k Manjunath principal and chief officer of fire department and staff were presented in the programme awareness.
