**Report on field visit to Adichunchanagiri University (CRI),  
Centre of Research and Innovation**

With the approval from the Dean of the Institute, Department of Physics organized a field trip to Adichunchanagiri University, and Research Center on April 24, 2024, as per BSC (Physics) syllabus pattern of Sixth Semester NEP Scheme. At 11:30 a.m., representatives from all science departments as well as senior B. Sc. students arrived at the institution with the goal of educating everyone about instrumentation techniques and igniting enthusiasm in research.

First we visited research lab where we met Dr. Prashanth Kalappa, Dean, Research Centre, he provided a faculty for explain us each and every instrumentation technique. In the Research lab, they explained about the methodologies and applications of different techniques like XRD, FTIR, 3D-PRINTERS, U-VDS, How to prepare the samples, an technique, instrumentation helps the problem solving and. To find out crystal size, inter spacing between the atoms and chemical components, an understanding of electronics and measurement concepts and techniques is required.

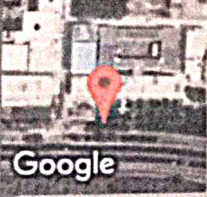

Finally we reached Natural Science Department to observe the different laboratories then we come back to our campus by 3.30 pm with enormous knowledge. There are 32 students benefitted by this visit.

Circular 2023-24

Here by it is informed to the students of VI semester that on 24/4/2024 every students should come before 9:30am to go for field visit to Adichunchanagiri university All Bf Nagar. So All should wear the uniform & ID card and essentials are mandatory. Field Visit Report should be submitted on 1/5/2024 without fail.

VI semester  
[PM & PC students  
Date: 24/4/2024.
