### Report on Experimental visit to Wind Energy Power Station, Mavanuru Mallappa Hill

An wind energy power station visit to Mavanuru Mallappa hill. Parvathamma K B and Chetan D S was successfully organized by the department of Geography on Thursday 7 December 2023. 32 Students 1 BA ( GS) visit to wind energy power station to understand . How the rock weathering agents of denudation activities and wind energy process, technology works and also to aqurie knowledge and experience.

The terms wind energy and wind power both describe the process by which the wind is used to generate Mechanical power or electricity. This Mechanical power can be used for specific taxa such as grinding grain or pumping water or a generator can convert this Mechanical power into electricity.
