## Report on: Field Visit to Wind Energy Power Station

A Field Visit to Mallappa Hill Wind Power Generation Station, Mavanur was organized by Department of Physics on Thursday, December 7, 2023. Mrs. Arpitha H.J., HoD of Physics with thirty 1 Year B.Sc. (PM) students visited a wind power plant to gain insight.

Mrs. Arpitha H. J. wished to provide his students with a more thorough comprehension of the realities and difficulties surrounding alternative energy. Gained hands-on experience in how wind power and rock weathering agents work, how technology works. They departed knowing more about the difficulties in putting renewable energy into practice as well as how these enormous three-pronged windmills function as energy hubs.
