### Celebration of Makar Sankranti Festival

January 16, 2024

Makara Sankranti Festival was celebrated on Tuesday 16th January 2024 by our College's Kala Sinchana Forum. Every year, people celebrate Makar Sankranti to mark the change from the dry and gloomy winter to the light and pleasant spring time. Our College Students and teachers celebrated the Makara Sankranti festival, then distributed Yeffu-Bella to all the members. Students happily enjoying and celebrated the festival.

“Makar” refers to Capricorn, and “Sankranti” denotes the movement of the sun into a new celestial orbit. This celestial phenomenon signifies the triumph of light over darkness, heralding longer, sunlit days. It is a festival deeply tied to India’s culture, religion, and agriculture. The Makar Sankranti festival unites diverse communities across India, celebrating not only the sun’s northward journey but also the promise of renewal, prosperity, and the strengthening of familial bonds.. So our college Principal Dr. M.K Manjunath spoke important information about the festival and cultural coordinator Mrs Arpitha. H.J Celebrated the festival with our students with joyful and happiness.
