A brief report of special lecture programme on

"Indigenous Technology for Viksit Bharat"

Date: 4th March 2024

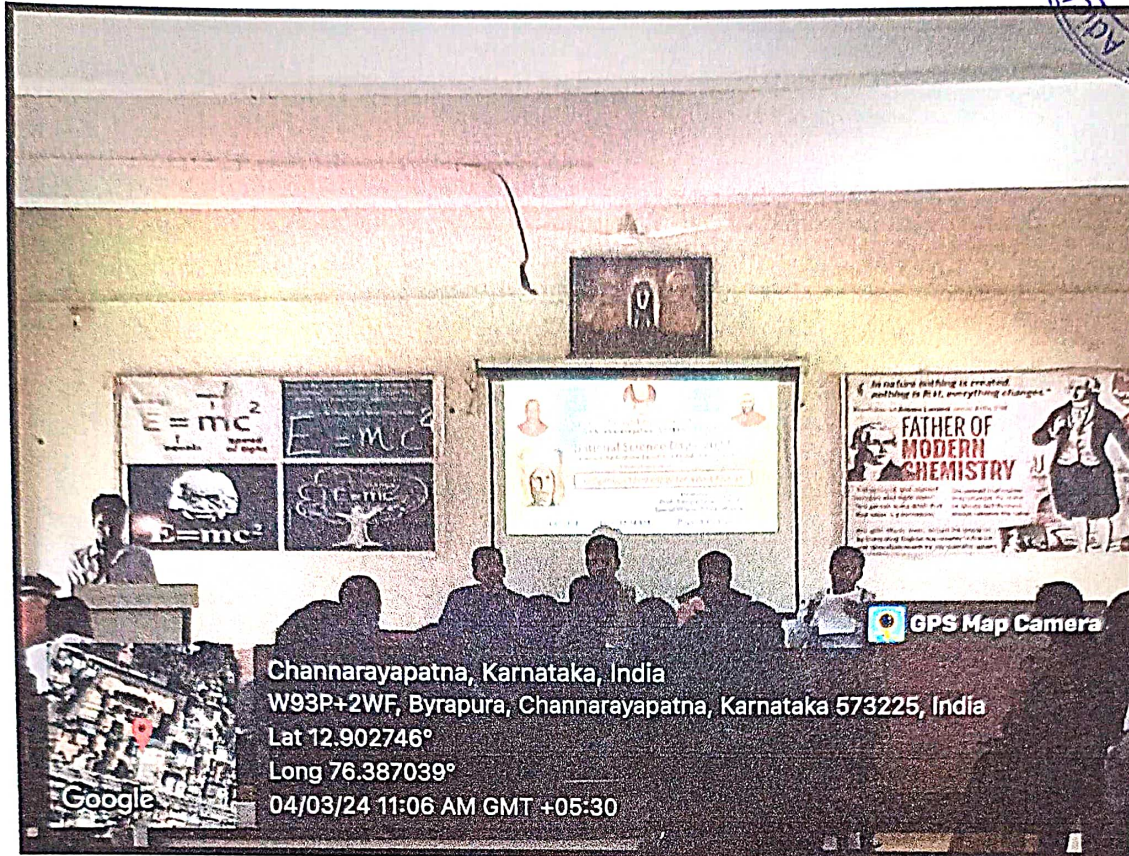

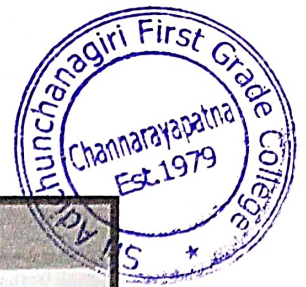

Venue: HCS Hall

Time : 10.30 am to 1 pm

The special lecture programme is arranged on the eve of National Science Day, observed annually on February 28, commemorates the discovery of the Raman Effect by Indian physicist Sir CV Raman. This year's theme, "Indigenous Technologies for Viksit Bharat," highlights the importance of homegrown innovations and scientific progress in India. The day aims to promote scientific temper, inspire youth towards careers in science, and celebrate India's rich scientific heritage. **Dr. Chandrashekar.B.N**, Assistant Professor and Head of the department of chemistry delivered the keynote address. In his talk he highlighted the significance and celebrations of National science day. He stated that National Science Day aims to promote scientific thinking and highlight the importance of science in everyday life. Educational institutions, scientific organizations, and various other institutions across India organize events such as seminars, workshops, and exhibitions to celebrate the occasion. The day serves as a reminder of India's rich scientific heritage and encourages scientific research and innovation. **Dr. B.K. Kempe Gowda**, Professor of Chemistry, Government First Grade College, Nanjanagudu, Special Officer/RJDCE, Mysuru delivered the seminar on National Science Day 2024 Theme. The theme for National Science Day 2024 is "Indigenous Technologies for Viksit Bharat," emphasizing the importance of homegrown innovations in India's scientific progress. In his talk he emphasised the theme which seeks to raise awareness about indigenous technologies that can contribute to the country's development and well-being. He mentioned that National Science Day is a celebration of India's scientific achievements and a reminder of the importance of science in society. It serves as an inspiration for future generations to pursue careers in science and technology, contributing to the nation's development and progress. **Dr.M.K.Manjunatha**, Principal, asked the students to take up social problems to address the needs of society through scientific approach. Finally programme ended up with the distribution of prizes to the students who participated in the science exhibition conducted by the Adichunchanagiri University.
