Report on World No Tobacco Day

On May 31, 2024, at 11am, in Hall 201, the Youth Red Cross and Red Ribbon Unit celebrated "World No Tobacco Day". The program started with an invocation song by final year CZ students Mr. Suhas S L. Dr. Nirupama M, Programme Officer for the Youth Red Cross and Redribbon Unit, provided a brief overview of the resource persons Mrs. Anitha A R and Mrs. Vishalakshi T. C and welcomed all the gatherings on the stage. The chief guest watered the plant for the inauguration ceremony.

Mrs. Anitha A R delivered an excellent talk on the significance of World No Tobacco Day. She starts with the theme "Protecting Children from Tobacco Industry Interference". She talks about the origin of World No Tobacco Day (WNTD) i.e observed every year on May 31. It was created by the World Health Organization (WHO) to draw global attention to the tobacco epidemic and the preventable death and disease it causes. She also talks about impact and initiatives through increasing public awareness about the dangers of tobacco use and the business practices of tobacco companies. Influencing the creation and implementation of effective tobacco control policies. Providing resources and support for people trying to quit smoking. Highlighting the link between tobacco use and various health issues, such as cancer, heart disease, and respiratory illnesses.

Then she talks about the cigarettes and other Tobacco Products Act-2023. The cigarettes and other Tobacco Products (Prohibition of advertisement and regulation of Trade and Commerce, production, Supply and Distribution) Acts (COTPA) 2003 was enacted by Government of India mainly to discourage the consumption of Cigarettes and other Tobacco products through imposing

progressive restrictions and to protect non-smokers from second hand smoke. The Key provisions under the Act include: Prohibition of smoking in public places (Section 4), Prohibition on all forms of direct/indirect advertisement, promotion and sponsorship of tobacco products (Section-5), Prohibition and sale of tobacco products to minors (any person who is under eighteen years of age) (Section - 6(a)), Prohibition and sale of tobacco products in an area within a radius of one hundred yards of any educational institution (Section - 6(b), Mandatory depiction of specified health warnings on all tobacco products (Section - 7). Then vote of thanks was delivered by Dr. Praveen Kumar S, HOD of Sociology and the anchoring done by Mr. Lokesh G.S. HoD of Economics. The participation of almost 110 volunteers contributed to the success of this programme.
