**Report on Field visit to Campus and  
Botanical Garden**

From the Department of Botany we conducted a field visit to campus and Botanical Garden on 20-11-2023. According to 5<sup>th</sup> semester curriculum we visited garden to see the medicinal plants, wild plants. We started moving from our department at 2:30pm along with 12 students headed by Sowmya C V.

Before entering into the Garden, we have observed many wild plants, some taxonomy family related plants in our campus. We went inside the Garden observed medicinal plants like pepper, sarpagandh, amruthballi, tulasi, lemon grass and others. And also observed many ornamental plants like Rose, Croton, Cycas, Snake plant etc. We spent some time in garden it is consisting of many mesophytes and some are xerophytic plants.

After observing plants we get relaxed for half an hour in discussing the plants belongs to which family and understanding most of them are economically important.
