**Circular**

As part of our commitment to fostering sustainability and environmental responsibility on campus, we are happy to notify all students, faculty members, and non-teaching staff that the Green Pledge program will begin on October 31, 2023 at 10 a.m. The goal of this endeavour is to lessen our environmental impact. This motivates us all to do our part to make the world healthy. As a result, I want everyone to take part and help the initiative succeed.

**GREEN PLEDGE**

I .....here by pledge to take ownership of my college campus and help to make it a "Clean, Green Campus".

I will not litter, nor let anyone litter in the college premises. I will switch off all fans and light when not in use. I will not waste water. Through all this, I will help to make a "cleaner, greener planet".

**A Report on Green Pledge Initiatives**

A mass green pledge was organized in our college on 31st October 2023 at 10 am to create sense of responsibility to save energy, water and other resources and adopt measures to avoid usage of plastic and other non-biodegradable items and support sustainable developmental goal of climate change and action. The programme was organized by Dr. Nirupama M in Kuvempu Vedike in collaboration with Ecoclub of SAFG College.

The pledge is "I hereby pledge to take ownership of my college campus and help to make it a "Clean, Green Campus". I will not litter, nor let anyone litter in the college premises. I will switch off all fans and light when not in use. I will not waste water. Through all this, I will help to make a "cleaner, greener planet". All the students including faculty members along with Principal were took the pledge. As a result, we will be able to lessen our ecological impact and encourage everyone to help create a healthy planet.
