## Rally for cancer awareness on 05/02/2025

The rally aimed to educate the public about cancer prevention, early detection, and the importance of a healthy lifestyle. Students, faculty, and staff from various departments participated enthusiastically, holding **placards and banners** with slogans emphasizing cancer awareness and the need for regular health check-ups. The rally began from the college premises and proceeded through key areas of the town, attracting the attention of the local community. The rally successfully created awareness among the community, highlighting the importance of early diagnosis and lifestyle modifications in reducing cancer risks. The active involvement of students and faculty demonstrated their commitment to social responsibility and health advocacy.
