## Student Participation in Competitions at Vignatham Uthsav-2025 on 19<sup>th</sup> and 20<sup>th</sup> Febrauary 2025

The SAFG College is proud to report the enthusiastic participation of our students in various competitions at Vignatham Uthsav. This event provided a valuable platform for students to showcase their knowledge, creativity, and research skills in a competitive environment. Our students actively participated in the intercollegiate quiz competition, competing with students from various institutions. Students presented innovative models based on topic - Climate Crisis: Challenges and Solutions for a Sustainable Future. The presentations were well-received, with judges appreciating their creativity and in-depth explanations. Participation in these competitions enhanced students' knowledge, public speaking skills, teamwork, and problem-solving abilities. Interacting with experts and fellow participants provided valuable exposure to current trends and research in zoology and environmental sciences. The event encouraged students to develop a scientific temperament and interest in research-oriented learning.
