

|| JAI SRI GURUDEV ||

Sri Adichunchanagiri Shikshana Trust (R.)

**SRI ADICHUNCHANAGIRI FIRST GRADE COLLEGE**

*Kuvempu Road, CHANNARAYAPATNA-573116 :: Hassan District*

Affiliated to Hassan University

Accredited with "B" Graded by NAAC

Phone : 08176 252266

Web: [www.safgcecrpc.org](http://www.safgcecrpc.org)

Email Id: [safgcecrpc@gmail.com](mailto:safgcecrpc@gmail.com)

## Event Summary 2024-25

1	Name of the Event	<b>Science Exhibition -2025</b>
2	Venue	<b>Sri Adichunchanagiri First Grade College CR-patna</b>
3	Date and Time	<b>28/02/2025 and 11:00 am</b>
5	Number of Students participated	<b>40</b>
6	Name of the Coordinator	<b>Arpitha H.J</b>
7	Organized by	<b>Department of Physics</b>
8	Nature of Programme	<b>Science Exhibition</b>

*Arpitha*  
*Department of physics*

*Meenakshamma*  
Principal  
Sri Adichunchanagiri First Grade College  
Channarayapatna

Date \_\_\_\_ / \_\_\_\_ / \_\_\_\_

Department of physics & zoology.  
Even sem:- Circular (2024-25)

Here by it is informed to the students of II<sup>nd</sup> & IV<sup>th</sup> sem that our physics department organising the Science Exhibition on the occasion of National Science day celebration 2025. So All the students are strictly instructed to be present in this event.

Date : 28/2/2025

Time : 10:30

Resource person → Dr. panduresh  
Associate professor  
Sri Adichunchanagiri university  
B.G. Nagar, Mandya district.

Head of the Department of Physics  
SAFG College, C.R. Patna-573116

Principal  
Sri Adichunchanagiri First Grade College  
Channarayapatna

- 1) Dr. Nizupama. M.
- 2) Radhama
- 3) Dr. R. N. Chandrabhas
- 4) Kavya. H. J
- 5) Shwanya

**Report on: Science Exhibition Organized by the Department of  
Physics on the Occasion of National Science Day 2025**

On Feb 28, 2025 National Science Day is celebrated every year on February 28 to mark the discovery of the Raman Effect by Indian physicist C.V. Raman in 1928, which earned him the Nobel Prize in Physics. To commemorate this significant event in the history of Indian science, the Department of Physics at Sri Adichunchanagiri First Grade College CR-patna organized a Science Exhibition aimed at engaging students, faculty, and the general public in understanding the importance of science and physics in everyday life. In this event we invited the Special guest **Dr Pandreesh ,Assistant Professor bio-chemistry department from Adichunchanagiri University**. This exhibition featured a variety of interactive exhibits, demonstrations, and presentations highlighting key principles of physics and their practical applications. The exhibition was intended not only to celebrate the achievements of science but also to inspire the next generation of scientists and innovators. Raise awareness about the importance of science and physics, particularly in the context of India's contribution to global scientific research.

- **Educational Engagement:** Provide an interactive platform where students can engage with and learn about various physics concepts.
- **Showcase Applications of Physics:** Demonstrate how fundamental physics principles are applied in everyday technologies and innovations.
- **Inspire Innovation:** Encourage students to think creatively about how physics can solve real-world problems.

Experiments that showed the behavior of light, including reflection, refraction, and dispersion. A demonstration of how light travels and bends through different mediums fascinated visitors.

The exhibition was a resounding success, with positive feedback from participants, faculty, and visitors alike. The event not only celebrated National Science Day but also promoted the importance of scientific inquiry and curiosity. Students left with a deeper understanding of physics and a heightened interest in pursuing careers in science and technology.
