**Date: 22-02-2025**

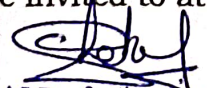

**Subject: Invitation to Participate in National Science Day Celebration on February 28<sup>th</sup>, 2025**

Dear Teachers and Students,

We are pleased to inform you that the **National Science Day** celebration will be held on **February 28<sup>th</sup>, 2025**, at **Kuvempu Vedike**. The event will feature an enlightening lecture and a Science Exhibition, aimed at fostering an interest in science and innovation among students of various disciplines, including **B.Sc., B.A., and B.Com.** We are honored to have **Dr. Pandareesh M D**, Associate Professor, Department of Biochemistry, Adichunchanagiri School of Natural Sciences, Adichunchanagiri University, as the **Resource Person** for the event. He will deliver a lecture on the topic "**Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat.**" This lecture will provide valuable insights into the importance of research, innovation, and leadership in shaping the future of India.

In addition, we are delighted to have **Mr. Vasudev G. R.**, Lecturer, Department of Mathematics, Independent P U College, Channarayapatna, as the **Special Guest** for the Science Exhibition. His participation is sure to inspire and enhance meaningful discussions. We encourage all teachers and students to attend and actively participate in this event, which promises to be a memorable and enriching experience. Your presence and engagement will contribute to the success of this celebration.

All are invited to attend and participate!

**Subject: Invitation to Serve as a Special Guest for National Science Day Celebration.**

Dear Sir,

On behalf of the Faculty of Science, I am pleased to extend a formal invitation to you as a Special Guest to deliver a lecture on the topic "*Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat.*" This lecture is scheduled to take place on **February 28th, 2025**, at **Kuvempu Vedike**. The lecture will be aimed at students from diverse disciplines, including B.Sc., B.A., and B.Com. It will focus on the critical aspects of promoting research and innovation within higher education, offering valuable insights into fostering global leadership among India's youth.

In addition to your lecture, we would be deeply honored to have you as a Special Guest at our **Science Exhibition** celebrating **National Science Day**. Your expertise would significantly enhance the event and inspire meaningful discussions. We are confident that your contribution would play a vital role in the success of the exhibition.

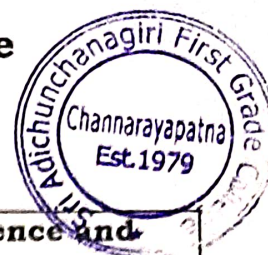

We sincerely hope you will consider this opportunity to engage with our academic community and look forward to your positive response.

With warm regards,

  
Principal

A Brief Report of Special Lecture and Science Exhibition on  
**"Empowering Indian Youth for Global Leadership in Science and  
Innovation for Viksit Bharat"**

**Date:** 28<sup>th</sup> February 2025

**Time:** 10:00 AM to 3:00 PM

**Venue:** Kuvempu Vedike (Stage Programme)

**Exhibition:** Science Laboratories

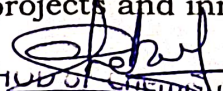

In line with the celebration of **National Science Day** on **28<sup>th</sup> February, 2025**, the institution organized an event aimed at fostering an interest in science and innovation among students of various disciplines, including **B.Sc.**, **B.A.**, and **B.Com.** The event featured an enlightening lecture and a **Science Exhibition**, both designed to enhance the students' scientific temperament and their understanding of the importance of research and innovation for national development.

The event commenced with a **Divine Invocation** by Preksha, a student from **I B.Sc.** The **Welcome Speech** was delivered by **Dr. B.N. Chandrashekar**, Head of the Department of Chemistry, who extended a warm welcome to all attendees and set the tone for the event.

The chief highlight of the event was the **lecture by Dr. Pandareesh M D**, Associate Professor, Department of Biochemistry, Adichunchanagiri School of Natural Sciences, Adichunchanagiri University. Dr. Pandareesh delivered an insightful lecture on the topic, **"Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat."** His lecture emphasized the significance of youth leadership in the realm of science, innovation, and research, and how it plays a critical role in India's progress toward a **developed nation** (Viksit Bharat). The lecture was well-received, with students and faculty engaging in discussions on the importance of scientific advancements in nation-building.

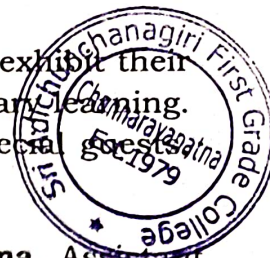

We were privileged to have Mr. Vasudev G. R, Lecturer in the Department of Mathematics, Independent P U College, Channarayapatna, as the Special Guest for the Science Exhibition. During his talk, he emphasized the importance of National Science Day, highlighting the theme for 2025, which focuses on "Empowering Youth for Innovation and Scientific Leadership." His insights significantly enhanced the exhibition's appeal, inspiring students and sparking deeper curiosity about the various scientific fields.

Following the lecture, a **Science Exhibition** was conducted, showcasing projects and innovations across the fields of **Botany, Zoology, Chemistry**, and

  
Head of Chemistry  
S A F G College

Channarayapatna-573116  
Hassan Dist.

**Physics.** The exhibition provided students with an opportunity to exhibit their creativity and scientific acumen, while also fostering interdisciplinary learning. The exhibition was visited by faculty members, students, and special guests, allowing for meaningful discussions and interactions.

The event concluded with a **Vote of Thanks** by **Dr. M. Nirupama**, Assistant Professor in the Department of Zoology, who expressed gratitude to all the distinguished guests, resource persons, faculty, and students for their active participation and contribution to making the event a success.

**Dr. M.K. Manjunatha, Principal**, acknowledged the efforts of all involved and emphasized the importance of science and innovation for a brighter future.

### Key Outcomes

1. **Increased Interest in Science:** The event helped increase the scientific curiosity among students from diverse disciplines.
2. **Exposure to Current Scientific Trends:** The lecture by Dr. Pandareesh provided valuable insights into India's scientific leadership and the role of youth in driving innovation.
3. **Hands-on Learning:** The Science Exhibition enabled students to showcase their projects, thus reinforcing practical knowledge in various scientific fields.
4. **Interdisciplinary Learning:** The exhibition brought together students from different fields, encouraging cross-disciplinary learning and discussions.

### Letter of Appreciation

To

**Mr. Vasudev. G. R**

Lecturer, Department of Mathematics  
Government Independent P U College  
Channarayapatna

**Subject: Appreciation for Your Valuable Contribution to National Science Day-2025**

Dear Sir,

On behalf of the Faculty of Science, I would like to extend our sincere gratitude for your valuable participation as a Special Guest at our **National Science Day** celebration. Your lecture on "**Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat**" was insightful and inspiring. It provided our students, across various disciplines, with a deeper understanding of the importance of research, innovation, and global leadership in shaping the future of India.

Your contribution to the **Science Exhibition** was equally impactful, sparking meaningful discussions and encouraging students to think critically about the role of science in nation-building. We are truly grateful for the time and effort you invested in being part of this significant event.

Thank you once again for your support, and we look forward to any future collaborations.

With warm regards,

*M. Jayanthi*  
Principal
