## World Water Day- Essay Competition on 22/03/2025

The Zoology and Geography Departments of SAFG College organized an Essay Competition on March 22, 2025, in observance of World Water Day. The event aimed to promote awareness about the importance of water conservation and sustainable management among students. The event witnessed enthusiastic participation from students across various disciplines. A total of 34 students took part, demonstrating their knowledge, analytical skills, and innovative ideas on water conservation. The essays reflected a deep understanding of the pressing global water challenges and the need for sustainable solutions. A panel of judges from the Botany and English Departments evaluated the essays based on content quality, originality, structure, and clarity. The top three essays were awarded certificates and exciting rewards to recognize and encourage student efforts in environmental awareness.

Before the essay competition, during the prayer assembly, Dr. Nirupama M, Head of the Zoology Department, spoke about the significance of water and World Water Day. She also led all faculty members and students in reciting a water pledge to emphasize the importance of conservation.

## World Water Day 2025 Pledge Report at Prayer Assembly

On March 22, 2025, Sri Adichunchanagiri First Grade (SAFG) College observed **World Water Day** with a special assembly to promote water conservation awareness. The event emphasized the urgent need for responsible water usage among students and faculty. SAFG College has always been committed to environmental sustainability and responsible resource management. In line with this commitment, the college organized a **Water Pledge Initiative** aimed at promoting water conservation and awareness among students, faculty, and staff.

### Objectives of the Water Pledge:

1. To create awareness about the importance of water conservation.
2. To encourage responsible usage of water in the college campus.
3. To instill long-term sustainable habits among students and staff.
4. To contribute to global efforts in reducing water wastage.

The assembly began with a brief introduction by the principal, who emphasized the significance of World Water Day and the urgent need to address water scarcity issues globally. Following this, a thought-provoking speech was delivered by Dr. Nirupama M Zoology Department, highlighting the impact of water pollution and wastage on biodiversity and human life. A key moment of the assembly was the collective **World Water Day Pledge**, where students and staff vowed to adopt responsible water usage practices.
