To,
The Director,
Nandini Hi-Tech Production Plant,
Shettihalli Channarayapatna – 573116

Subject: Request for Permission to Visit Nandini Hi-Tech Production Plant

Dear Sir/Madam,

I am writing to seek your kind permission to visit the Nandini Hi-Tech Plant on behalf of **Sri Adichunchanagiri First Grade College**. We are a group of **60 Members** consisting of Final year B.Com students from the Department of Commerce.

The purpose of this visit is to gain practical knowledge about the production process, quality control measures, and technological advancements employed at the Nandini Hi-Tech Production Plant. This visit will provide valuable insights and hands-on exposure to the operations and functioning of a large-scale production facility, which will greatly enhance our understanding of the industry.

We kindly request your permission to schedule the visit on **26-03-2025** at a convenient time. We assure you that all participants will adhere to the guidelines and safety protocols set by your esteemed organization.

Please let us know if any additional formalities are required to process this request. We would be grateful for your approval and support in making this visit a successful learning experience.

Thank you for considering our request. We look forward to your positive response.

Thanking you

Yours faithfully

“INDUSTRIAL VISIT”

Organized by

DEPARTMENT OF COMMERCE & IQAC

Date: 26th March 2025

**Report on Industrial Visit to Nandini Hi-Tech Production Plant,
Shetthalli, Channarayapatna**

An industrial visit to the Nandini Hi-Tech Production Plant at Shetthalli, Channarayapatna, was organized for the final year B.Com students to enhance their practical knowledge about the functioning of industries, particularly in the dairy sector. The visit aimed to bridge the gap between theoretical learning and real-world industrial practices.

Objective:

- To provide students with firsthand experience of industrial operations.
- To understand the production process, quality control, and supply chain management of a large-scale dairy plant.
- To gain insights into the financial and operational aspects of the dairy industry.

Details of the Visit:

Upon arrival, the students were welcomed by the plant manager and given a brief introduction about the history and operations of the Nandini Hi-Tech Production Plant. The visit included a guided tour of the following sections:

1. **Milk Collection and Storage Unit** – Students observed the process of milk collection from various sources and the testing procedures to ensure quality.
2. **Processing and Pasteurization** – The methods of milk processing, pasteurization, and homogenization were explained in detail.
3. **Packaging and Distribution** – Students witnessed the automated packaging system and learned about the logistics involved in the distribution network.
4. **Quality Control and Safety Measures** – The quality control team demonstrated the safety protocols and quality assurance measures followed at the plant.
5. **Waste Management and Sustainability** – The plant's approach to handling waste and ensuring environmental sustainability was also highlighted.

Principal

**Sri Adichunchanagiri First Grade College
Channarayapatna**

Interaction and Learning Outcomes

The students had an interactive session with the plant officials, where they asked questions about production challenges, financial management, and market strategies. The visit helped the students

- ✓ Understand the real-world application of production and operations management concepts.
- ✓ Learn about financial decision-making and cost management in the dairy industry.
- ✓ Gain exposure to industry-standard technology and automation.

Conclusion:

The industrial visit to the Nandini Hi-Tech Production Plant provided valuable insights into the functioning of a large-scale dairy industry. It enriched the students' understanding of production processes, financial management, and supply chain dynamics. The visit was highly informative and contributed significantly to the students' practical knowledge and professional development.
