Event Summary 2024-25

1.	Name of the Event	One day Workshop
2.	Venue	201 Seminar Hall, SAFG College, Channarayapatna.
3.	Date and Time	08th April, 2025 , 10.00 AM
4.	Number of Students participated	97
5.	Name of the Coordinator	Dr. Nirupama M
6.	Organized by	Department of Zoology
7.	Nature of Programme	Extra-curricular
8.	Topic	Current status and challenges of Higher Education and Demonstration of Genetic Drift Experiment.
9.	Resource person	Dr. N. B. Ramachandra, Professor (Retd) & Former Chairman, DOS in Genetics and Genomics, University of Mysore, Mysure. Mobile no. 9880033687

Department of Zoology

Collaboration with IQAC

**One day Workshop on “Current Status and Challenges
of Higher Education”
and
“Demonstration of Genetic Drift experiment”**

Date: 08-04-2025

Venue: 201 Seminar Hall

Time: 10.00 AM

Divine Blessings

**His Holiness Paramapoojya Jagadguru Padmabhushana
Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji**

Gracious Blessings

**Paramapoojya Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji
Poojya Sri Sri Shambhunatha Swamiji**

Prayer

: Ms. Bhavana, II B Sc., Student

Welcome Speech

: Dr. Nirupama M, HoD of Zoology, SAFG College.

Resource persons

**: Dr. Dr. N. B. Ramachandra, Ph.D, FASc,
Professor (Retd) & Former Chairman, DOS in Genetics & Genomics
University of Mysore, Mysure.**

Introductory Talk

: Mrs. Radhamma K M, Assistant Professor IN Zoology.

Presidential Talk

: Dr. M.K. Manjunatha, Principal, SAFG College, C R Patna.

Vote of Thank

: Dr. Chandrasheker B N, IQAC Co-ordinator, SAFG College.

Anchoring

: Ms. Lavanya I BSc., Student

**Cordially invite all the students and staff from SAFG College,
Channarayapatna**

Founder population

in Collaboration with IQAC**

Date: 07/04/2025

Circular

We are pleased to announce that the Department of Zoology in Collaboration with IQAC will be organizing **one day Workshop** on 07 April 2025 at 10 AM in 20. All B.Sc. students are informed and encouraged to attend this academic workshop, which includes:

- Expert talk by **Dr. N. B. Ramachandra**, Former Professor, University of Mysore
- Live demonstration of a key concept in **evolutionary biology**
- Opportunity to interact and engage with resource persons
- Certificate of participation for attendees

Topic: **"Current Status and Challenges of Higher Education"**
and **"Demonstration of Genetic Drift Experiment"**

Report on One day workshop on 8th April 2025

The Department of Zoology in association with the Internal Quality Assurance Cell (IQAC) organized a one-day workshop focusing on the evolving landscape of higher education and a practical demonstration related to evolutionary biology. The event aimed to bring students and faculty together to engage with expert insights and hands-on learning experiences.

The workshop began with a prayer led by Ms. Bhavana, a student of II B.Sc., setting a spiritual tone for the event. This was followed by a warm welcome speech delivered by Dr. Nirupama M, Head of the Department of Zoology at SAFG College, who greeted the dignitaries, resource persons, staff, and students. An introductory talk was then presented by Mrs. Radhamma K M, Assistant Professor in Zoology, where she outlined the objectives and significance of the workshop.

An insightful session by Dr. N. B. Ramachandra covered significant challenges faced by the higher education system in India and the role of educators and institutions in addressing them. The live demonstration on genetic drift provided a clear understanding of evolutionary concepts and enriched the learning experience of students. Students participated actively, especially during the experiment and the interactive part of the demonstration. The presidential address was delivered by Dr. M.K. Manjunatha, Principal of SAFG College, who highlighted the importance of organizing such knowledge-sharing events in educational institutions. Towards the end, Dr. Chandrashekar B N, the IQAC Coordinator, expressed gratitude to all the guests, organizers, and participants through the vote of thanks.

The workshop provided students and faculty with a deeper understanding of the current trends, opportunities, and challenges faced by the higher education system in India. Participants gained valuable insights from the keynote session by Dr. N. B. Ramachandra, whose vast academic experience enriched the discussions and encouraged critical thinking among the attendees. The live demonstration of the Genetic Drift experiment offered a hands-on learning experience that effectively bridged the gap between theoretical knowledge and practical application. Students actively engaged in the interactive sessions, asking thoughtful questions and participating with enthusiasm, which fostered a vibrant academic atmosphere.
