Report on World Earth Day Special Lecture Programme

Department of geography collaboration with Bhoomi Ulisi Aandholana Samithi, Channarayapatna, organizing World Earth day a special lecture programme on 22 April 2025 at 201 seminar hall. In the beginning the invocation song has been sung by Ganavi. Nalina H P welcomed the guest and eminent speakers mentioned that such celebrations help in creating the awareness about major environmental issues. After that the programme has been inaugurated at 11.00PM through watering the plant as a symbol of growth of hopes and dreams in future.

Sri C N Ashoka, President, Bhoomi Ulisi Aandholana Samithi, Channarayapatna, said is that there is an inseparable relationship between land, speech and man. There are microorganisms in the soil, if the use of pesticides and chemical fertilizers, the fertility of the decreases. 95% of farmers' allies are destroyed he there will be food earth worms pollinate touch media and destroy bee progeny, there will be problem in the country. Because Of the name house effect the temperature on earth often has adverse problems. Trees absorb carbon dioxide emitted by vehicles and release oxygen. However if the abundance of oxygen – releasing plants decreases, a problem will be faced. Balance should be maintained. When the environments is there anteed

The youth group should fight against it. Our College Principal Dr.MK Manjunatha said that there is excess rain and drought he said that saplings should be planted in auspicious programme to show concern for the environment. Finally, A M Jayaramu concluded the session with a vote of thanks.
