**A field visit to the Payana Motars :**

On April 24<sup>th</sup>, 2025, A field visit to **Payana Motars** near Srirangapatna from the Department of Physics, sounds like a great opportunity! around **24 Students** actively participated in this Field Visit is likely a scientific or educational festival or event, possibly centered around physics, technology, or innovation. It could involve exhibits, of old Model cars, Heat engines, hands-on experiences related to various fields of physics and scientific advancements.

Our Students understanding and learned the **Thermodynamics & Applications of Physics**: Look for sessions or discussions on how physics principles are applied in various industries If this Field Visit has a community outreach aspect, there may be activities focused on making physics accessible to students or the general public. This can be a chance to inspire and mentor younger generations or curious minds.
