Report on Word Environment Day June 05, 2025

The Youth Red Cross and Red Ribbon Unit of Sri Adichunchanagiri First Grade College, Channarayapatna, celebrated **World Environment Day** on **5th June 2025** at **Kuvempu Vedike** with great enthusiasm and awareness. The event focused on this year's global theme, **"End Plastic Pollution"**, emphasizing the urgent need to reduce the use of plastic and promote sustainable alternatives for a healthier planet.

The event commenced at **10:00 AM** with a formal inauguration. The celebration was graced by **Mr. C.N. Ashok**, President of **Makkala Saahithya Parishath, Channarayapatna**, as the **Chief Guest**. In his keynote address, Mr. Ashok spoke passionately about the harmful effects of plastic on our ecosystem, especially its impact on soil, water bodies, and wildlife. He highlighted the role of youth in bringing about environmental reforms through lifestyle changes and active community participation. He also encouraged students to adopt eco-friendly practices like reducing single-use plastic, planting trees, and spreading awareness in their neighborhoods.

The programme was **presided over by Dr. M.K. Manjunatha**, Principal of the college. In his presidential address, Dr. Manjunatha commended the efforts of the Youth Red Cross and Red Ribbon Unit in organizing such a meaningful and timely event. He urged the students and staff to be ambassadors of environmental protection and contribute to building a cleaner and greener future. **Dr. Nirupama M**, the Coordinator of the Youth Red Cross and Red Ribbon Unit, played a pivotal role in organizing and coordinating the event. She emphasized the importance of collective responsibility in tackling environmental issues and briefed the audience about the harmful effects of plastic waste.

The celebration also included various activities like:

- **Plantation drives** within the college campus.
- **Awareness rally** around the college neighbourhood with placards and slogans promoting plastic-free living.

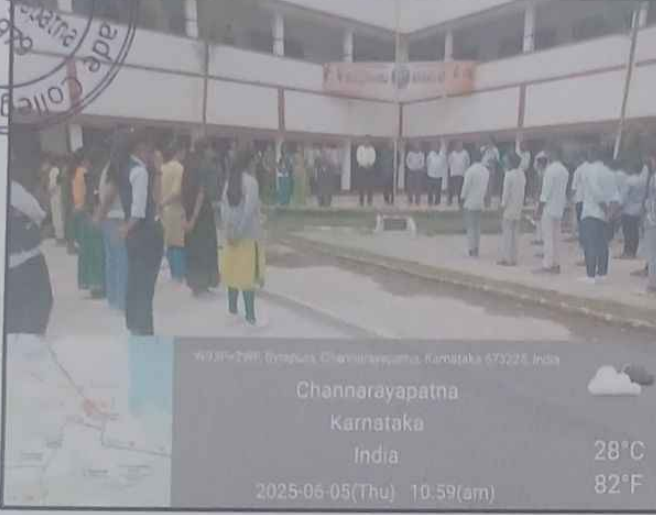

The entire teaching and non-teaching faculty, along with a large number of students, actively participated in the programme, making it a grand success. The event concluded with a vote of thanks and the distribution of saplings to guests as a token of environmental responsibility. The celebration served as a powerful platform to educate and inspire students and staff about the importance of environmental conservation and the urgent need to take action against plastic pollution.

Environment Day Rally-2025

To mark World Environment Day, a rally was organized by Youth Red Cross and Red Ribbon Unit on 5th June 2025 with the objective of spreading awareness about environmental protection and sustainable living. The event witnessed enthusiastic participation from students, teachers, and community members. Students wore green outfits to symbolize their support for environmental causes, and emphasized key environmental themes such as reducing plastic use, conserving water, planting trees, and fighting climate change. The rally was a great success, leaving a positive impact on the participants and the local community.
