“Report on National Eye Donation Fortnight”

Date: 02-09-2024

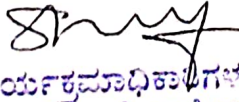

The NSS Unit of our institution successfully organized the 39th National Eye Donation Fortnight from August 25th to September 8th, 2021. The program aimed to raise awareness about the importance of eye donation and encourage participants to pledge their support for the cause.

The program commenced with an inspiring address by our Principal Dr. Manjunatha M K who emphasized the importance of eye donation as a life-changing act of kindness. His words set the tone for the event, encouraging everyone to contribute to this humanitarian effort.

As part of the event, Dr. Mahesh, Taluk Health Officer, Channarayapatna addressed the Students, highlighting the critical need for eye donations in bridging the gap between demand and availability of corneas for transplantation. His talk enlightened attendees on the technical and emotional aspects of eye donation, inspiring many to take action. Additionally, our esteemed alumnus, Smt. Kusuma Balakrishna, shared her experiences and emphasized the role of individuals in contributing to such noble causes. Her words served as a source of motivation for students and staff alike. The fortnight featured various activities, including awareness campaigns and pledge drives. The overwhelming participation and enthusiasm demonstrated the commitment of our NSS unit and the community toward this vital cause.

The program was anchored by Smt. Niroosha, Assistant professor whose eloquent presentation kept the audience engaged throughout the event. The formal vote of thanks was delivered by Bhaskara J Physical Education Instructor, who expressed gratitude to all the speakers, participants, and organizers for making the event a success. The event concluded on a hopeful note, with many participants pledging to donate their eyes, symbolizing their dedication to restoring sight for the visually impaired.
