Report on Field Visit to the Chennakesava Temple, Channarayapatna

The Department of History arranged Field Visit for educational purpose to the **Chennakesava Temple, Channarayapatna** on Tuesday 24th September, 2024. Mr. Shekhirman, Assistant Professor of History, took away first- second and Final year B.A (HK,HSG,HEP) Students to enlighten on the legacy of the Temple.

Mr. Shekhirman infused the detailed history of the temple in his explanation to students that "Vishnuvardhana, a ruler of the Hoysala dynasty, sheds light on how the language and writing evolved during that time. The Hoysala temple was dedicated to Lord Chennakeshava and built during the 11th Century. Though simple in its external architectural features, the temple interiors are grand, as in every Hoysala temple.

The art on the ceiling is an excellent example of the Hoysala architecture. The pillars, Dwarapalas (guards) and the door frames are extremely intricate and decorative. The Garbagriha (sanctum sanctorum) houses a beautiful life size idol of Lord Chennakeshava (Vishnu). There is also an idol of Kalingamardana inside the temple. The front porch of the temple is a later addition by the Nayakas of Holenarsipura. There is a Garuda Khambha (pole) in front of the temple.
