Field study report on Nandini Hi-tech Product Plant in Shettiyalli, Channarayapatna

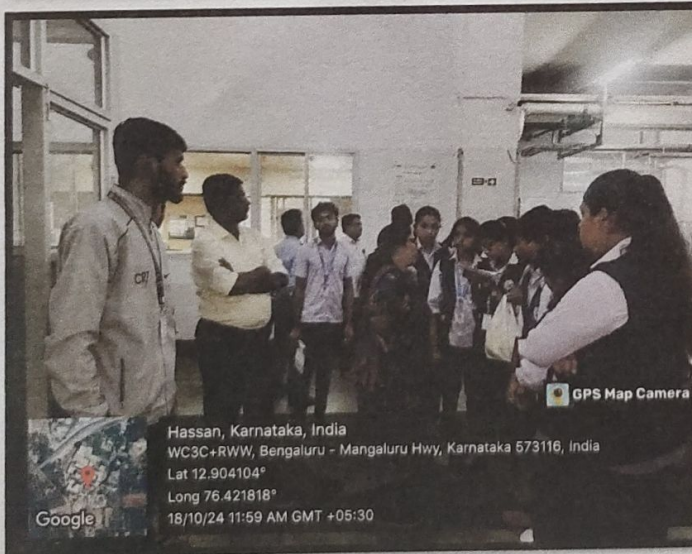

On October 18, 2024, Department of Economics organized a field visit for II B.A, Students to visit Nandini Hi-tech Product Plant, Shettiyalli Channarayapatna. By 11.30 along with Lokesh GS, HOD Economics, Mr. Vijayakumar K M and Mr. Siddaraju all II year EP students were went to visit field there they collected and observed different kinds Milk Products, butter, Ghee, Milk powder. The unit established in 2008 This unit is supplied with milk from Tumukuru, Shimoga, Hassan Dairy and Mangalore Dairy 90% of the work in this unit is done by machines and the rest of the work is done by labor only 120 upper level 350 lower level workers are working in this unit. In this unit milk powder, butter, ghee etc. products are prepared with 90% purity and purity and naturally produce the product. These products are usually sold in the national market as well as in the international market. 1 lakh liters of milk per hour is supplied to this unit by milk tankers. Apart from that good life symbol high quality milk is also produced. The head office of this unit is located in Koramangala, Bengaluru. In this unit you can see machines worth crores. In this unit you can see two technologies Labour -intensive and Capital-intensive. All the information was shared with the students by the KMF Technical Officer of the unit Savithri Madam.

Students took up production of milk products, their packaging and their distribution. Apart from learning about production and production process, the establishment of a business organization, its management, where the demand and supply of production materials, all these aspects were covered by the students. We returned to college at 2.30pm.
