“CONSTITUTION DAY”

A Brief Report:

Date:26-11-2024 Constitution Day organized by Political Science And IQAC with Collaboration. The programme was inaugurated and chief Guest by **Sir Raviprasad P. Dysp** Channarayapatna he was Speech "On 26th January 1950, India will be an independent country," father of Indian Constitution B R Ambedkar had said as he presented the draft of Indian Constitution 75 years ago. "Happy Constitution Day to all countrymen on the auspicious occasion of 75th anniversary of the Indian Constitution," as he went on to explain the significance of the book This comes a day after the Supreme Court rejected petitions that sought to challenge the 1976 amendment to the Constitution, which introduced the terms "socialist," "secular," and "integrity" into the Preamble.

The Constituent Assembly enacted India's Constitution, the world's longest written constitution, on November 26, 1949, but it didn't take effect until January 26, 1950, which is now observed as Republic Day. The country's legal framework is established by the Constitution, which also describes the government's organizational structure, the division of powers between the central and state governments, and the fundamental rights of all individuals .A collection of measures that would establish India as a sovereign democratic republic became increasingly necessary after the Government of India Act of 1935. This prompted the formation of a Constituent Assembly in December 1946, which was chaired by Dr. Rajendra Prasad, the country's first president. Prominent individuals including Jawaharlal Nehru, Sardar Patel, and Dr. B.R. Ambedkar were among the 389 members of the Assembly. Dr. Prasad officiated over its inaugural meeting, which took place on December 9, 1946. A committee headed by Dr. B.R. Ambedkar was entrusted by the Assembly with writing the Constitution. After more than two years of discussions over eleven sessions, Ambedkar delivered the text in 1948. On November 26, 1949, the final version of the Constitution with a few changes was adopted.As the longest written constitution in the world, the Indian Constitution originally contained 395 Articles and 8 Schedules, totaling around 1,45,000 words. The idea of dedicating a day to the Constitution's adoption was proposed by the Government of India in 2015, in recognition of its historic importance. Subsequently, November 26 was officially declared as Constitution Day in honor of the day the Constitution was adopted by the Constituent Assembly in 1949. The My Government website mentions: *“The Ministry of Social Justice*

and Empowerment on 19th November 2015 notified the decision of Government of India to celebrate the 26th day of November every year as 'Constitution Day' to promote Constitution values among citizens." Our college Dr M K Manjunath **Principal** this programme president . Sir Jagananth G R., **President** ,Taluk employment Association, C R Patna . Head of department of political Science Dr Nagaraja N T speech , Assistant Professor Sri Siddaraju, preached the pledge of allegiance on the proposed constitution.
