CHANNARAYAPATNA - 573116

NSS Regular Activity

DATE: 04-12-2024

On 04/12/2024, a cleaning drive was organized in the college campus by the NSS unit, with the active participation of NSS volunteers. The primary goal of the drive was to promote cleanliness, raise environmental awareness, and maintain a hygienic campus.

The volunteers worked in groups to clean various areas of the campus, including classrooms, gardens, walkways, and parking areas. They removed litter, cleaned the surroundings, and ensured that waste was segregated for proper disposal. The activity took place from 11 AM to 12 PM, with breaks in between for refreshment and rest. After the completion of the cleaning drive, the volunteers were provided with refreshments/food as a token of appreciation for their hard work. This was an important part of the event, as it helped boost morale and foster a sense of community among the volunteers. The campus environment was significantly improved, with areas previously cluttered with waste now clean and well-maintained. Volunteers demonstrated strong teamwork and dedication, ensuring the success of the event. The initiative helped raise awareness about the importance of cleanliness and environmental responsibility among students and staff. The cleaning drive was a success, with NSS volunteers contributing their time and effort to improving the campus environment. The event not only had a positive impact on campus cleanliness but also strengthened the spirit of community service among students. A similar initiative is planned for the near future.
