Subject: Invitation to Encourage Student Participation in the Skill Development Programme

Dear Faculty Members,

This is to inform you that a special event will be organized by the **Internal Quality Assurance Cell (IQAC)**, and we encourage all faculty members to inform their respective students about this important programme. The event will focus on skill development and its significance across various fields, including Science, Arts, and Commerce.

The lecture will be presented by **Dr. Niranjan R.S, Associate Professor** in the Department of Physics at Government Science College (Autonomous), Hassan University, Hassan. The **topic of the lecture** will be: **"Empowering Student Progression: Skill Development Across Science, Arts, and Commerce."**

This session is designed to help students make informed decisions about the appropriate skill development programmes that will support their academic and professional growth. The event will be an excellent opportunity for students to gain valuable insights into how they can enhance their skills to thrive in their chosen fields.

Details of the Event:

Date: December 14th, 2024

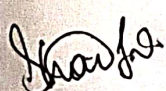

Time: 11 am to 1.30 PM

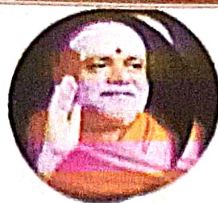

Venue: Seminar Hall 201

All are invited to attend and participate!

Subject: Invitation to Serve as a Resource Person for Special Lecture

Dear Dr. Niranjana. R.S,

We are pleased to invite you to serve as a resource person for a special lecture on the topic "**Empowering Student Progression: Skill Development Across Science, Arts, and Commerce.**" The event aims to foster skill development among students, focusing on enhancing their academic and professional capabilities in diverse disciplines. We are confident that your expertise and experience as the IQAC Coordinator will greatly enhance the value of this initiative.

The lecture is scheduled for 14th November 2024 at 11:00 AM in the 201 Seminar Hall. We kindly request your confirmation and support to ensure the success of this event. Your participation would be highly appreciated by both the students and the faculty.

We look forward to receiving your positive response.

Sincerely,

Principal

A brief report of special lecture on
**"Empowering Student Progression: Skill Development Across Science,
Arts, and Commerce"**

Date: December 14th, 2024

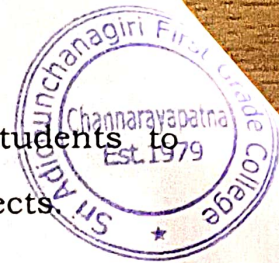

Time: 11:00 AM to 1:30 PM

Venue: Seminar Hall 201

The Internal Quality Assurance Cell (IQAC) organised a special event aimed at promoting skill development among students. The event focussed on the importance of skill acquisition across various disciplines, including Science, Arts, and Commerce. The event begun with an invocation song by **Miss Apoorva**, setting a serene and inspiring tone for the session. The **welcome speech** delivered by **Lavanya** (1st semester), who warmly welcome the participants. In the keynote address, **Dr. B. N. Chandrashekar**, the IQAC Coordinator, emphasized the significance of skill development for students. He explained that acquiring practical skills is essential for academic and professional growth. He also highlighted the role of faculty members in integrating skill-based subjects into the curriculum. Dr. Chandrashekar pointed out that it is crucial for educators to provide students with the right opportunities to develop these skills, as they will be instrumental in their future careers.

Following the keynote, **Dr. M.K. Manjunatha**, the Principal of the college, addressed the students. He urged them to take full advantage of skill development programmes, stressing how these programmes can help students

build a strong foundation for their careers. He encouraged students to participate actively in these initiatives to brighten their future prospects.

The lecture, titled "**Empowering Student Progression: Skill Development Across Science, Arts, and Commerce**", was delivered by **Dr. Niranjan R.S.**, Associate Professor in the Department of Physics. Dr. Niranjan guided students in making informed decisions regarding which skill development programmes to pursue, helping them to enhance their academic and professional abilities. He also guided faculty on selecting and delivering soft skills effectively for empowering student progression across Science, Arts, and Commerce. His session emphasized integrating relevant skills into curriculum design, fostering student growth, and ensuring holistic development through strategic teaching approaches.

The event concluded with a **vote of thanks** by **Dr. Nirupama. M, Assistant Professor, Department of Zoology**, who expressed gratitude to the speakers, participants, and all those involved in organizing the session. The entire programme was anchored by **Mrs. J.N. Kavitha**, Librarian, who ensured the smooth flow of the event.

This event presents an excellent opportunity for students to gain valuable insights into skill development, which will ultimately support their growth in their chosen fields. Faculty members were encouraged to introduce new certificate courses under the skill development programme and motivate their students to attend and actively participate in the enriching certificate courses.

Subject: Appreciation for Serving as a Resource Person for Special Lecture

Dear Sir,

On behalf of the organizing committee, I would like to express our sincere appreciation for your valuable contribution as a resource person for the special lecture on **"Empowering Student Progression: Skill Development Across Science, Arts, and Commerce."**

Your insightful presentation greatly enriched the event, and your expertise in the field played a crucial role in achieving the objectives of fostering skill development among students. Your engaging approach to enhancing both academic and professional capabilities across disciplines left a lasting impact on the participants.

Once again, thank you for your time and dedication. We look forward to your continued support in future endeavors.

Sincerely,

Me. jeeva M.K
