**Report on Special Lecture Programme**  
**“Medicinal Chemistry and its Scope”**

Date: 30/06/2023

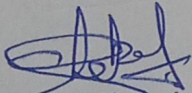

Time: 10 am to 11 am

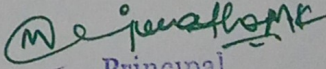

Medicinal chemistry has evolved rapidly into a highly interdisciplinary field, enriched by the collaborative efforts of experts from a wide spectrum of specialist areas, from chemoinformaticians and physical chemists to molecular biologists and pharmacologists. Dr. Rajesh has delivered on medicinal chemistry and its scope which includes the Drug discovery technologies, synthesis of novel compounds, and overview of novel therapeutic strategies and emerging targets. He also addressed the students on responsiveness to emerging themes and providing in-depth analysis of agents of medicinal interest and therapeutic approaches.

**Resource Person: Dr. Rajesh**, Associate Professor, Department of Chemistry, BET Academy of Higher Education, Bharathinagara, University of Mysore.

**Participants** : Final Year B.Sc. Students
