## Introduction

The Adichunchanagiri First Grade College, Channarayapatna was established on **1979** with a great motto to provide quality education to the students from rural areas. It began with less than 100 students in 1979 and now it has an incredible strength of more attraction of students in all four streams of Under-Graduation – B.A, B.Com and B.Sc. The students' strength has been steadily increasing & constant which is a testimony to the immense potential of the institution. The college has been recognized **Under Section 2(f) and 12(b) of UGC on 1999**. The college has already undergone two cycles of the NAAC accreditation in the year 2005 with '**B+**' Grade and 2015 with '**B**' Grade.

Feedback is one of the most powerful influences on learning and achievement. Feedback can be either positive or negative. Positive feedback from the stakeholders motivates to improve further and the negative feedback is equally important because it can dawn constructive changes. Therefore, an institution needs to collect feedback from its stakeholders to excel in its future endeavors. In this direction, the **IQAC** takes initiative to collect feedback on curriculum, infrastructure, governance, from various stakeholders of the institution such as students, teachers, alumni, employers, etc.

During the academic year 2020-21, the IQAC has collected feedback on various academic and non-academic aspects, analyzed and taken suitable action to improve the overall excellence of the institution.

**The feedback has been collected and analyzed as per NAAC Criteria I – Curricular Aspects; 1.4 – Feedback System, under the following heads:**

1. Feedback from Students on Faculty's in Academic.
2. Feedback from Students on Non-Academic.
3. Feedback from Alumni and Parents on Academic, College, Administration and Infrastructure.

## Interpretation of Feedback from Students on Teachers

communication skills, the time allotted for interaction with students, the evaluation process of internal assessment, and overall academic performance. However, the feedback related to the use of ICT, availability of teachers outside the class, and guidance and mentoring is average.

## Action Taken

Based on the analysis and interpretation of the feedback, the following actions have been taken for the betterment of the student community:

1. The faculty members are informed to equip with the required skills and knowledge to conduct ICT classes to make the students gain the subject knowledge in depth.
2. They are informed to make them accessible to the students outside the class and address their academic and non-academic needs.
3. They are also informed to spare their valuable time to guide and mentor the students to achieve academic excellence.
