POLICY OF MENTORING THE MENTEES

Mentoring is the unique method of supporting students to improve their academic excellence and motivating them toward their future career developments.

In this direction, the institution has adopted a mentorship programme wherein the faculty members assigned will meet students regularly and guide them for holistic development.

Objectives of the system:

- To help the students to understand the challenges and opportunities in the institution.
- To develop a conducive academic environment for effective learning.
- To counsel the students.
- To provide positive role models to be followed.
- To provide special programmes on gender related issues.
- To provide model answers for university exam question papers.
- To conduct coaching classes for competitive examinations.

Duties of mentors:

1. Mentors are required to keep a track of mentees with respect to academics, attendance, discipline, regularity and academic progression.
2. Mentors are to keep a record of the findings of mentees in the mentor's diary.
3. Any complaints regarding mentees are to be brought to the notice of the principal.
4. Arrange required medical or general counselling to students.
