USAGE STATISTICS (BETA STAGE)

Note:

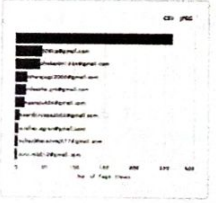

- The N-LIST Programme has implemented a new method for reporting usage statistics with the change in N-LIST Access Technology from July 2021. The new usage statistics now include page views and unique users for each user of the college (based on IP) and are reported from 15/07/2021.
- The new usage tool has implemented from July 2021 and the usage statistics will be available in here from 15 January 2022. There may be minor change in usage of users when reported during the beta stage.
- Usage statistics of users are updated in the tool used in every month.

Start Month: 2021-08 End Month: 2021-11 Old Usage Export
